I agree this can be cut back. I just put several proposed edits in the document. We don't need to docket content regarding matters they raised that pertain to general policy in OCS permitting that are not a concern in this permit.

Hi Brian – I'm hoping we can discuss these notes on our call tomorrow morning. They're more detailed than I think they need to be and would like your opinion before I suggest more summary-type language.

Thanks,
Megan

Megan and Brian,

Have you had a chance to review the notes? Region 1 is ready to place them in the docket if you are both ok with them. Please let me know.

Thanks,

Jessica

Hi all,

Greg and I chatted and this is the fix to that sentence. The fix is now reflected in the notes.

Ex. 5 Deliberative Process (DP)

All,

Here are the notes from our meeting today with Orsted. Thanks to Eric and Undine for helping me put these notes together. Please comment on these notes by the end of week and Eric and Undine can then place these notes in the docket for the South Fork Wind permit.

Thank you,

Jessica

This meeting is happening. Updating the invitation accordingly.

Reserving the time to have this conversation with Orsted next week. Region 1 still wants to meet with Scott to make a final decision on whether we should have this meeting. Lynn Hamjian is meeting with Scott about this on Friday, 11/5.
